🔄 Operations

Dataset selection

Choose files manually from the shared folder or use an API-suggested pair.

Training Dataset

ereno1ktrain.arff

709.8 KB | 70 attrs | 1000 rows | Training

Testing Dataset

ereno1ktest.arff

709.8 KB | 70 attrs | 1000 rows | Testing

Suggested pairs from shared folder

ereno1ktrain.arff -> ereno1ktest.arff

Shared dataset catalog

/datasets

3 file(s) found
Formats: ARFF
Total size: 88.0 MB
Families: 2
Instances: 201998

ereno1ktest.arff

ereno1ktrain.arff

erenoall.arff

Execution summary

Review the next launch before it enters the queue.
